

HP ap5000 All-in-One POS System

Windows.® Life without Walls. HP recommends Windows 7.

DOWNSIZED SOLUTION, DESIZED RESULTS.

Ultra-compact all-in-one POS system for any retail space

BUSINESS RERSONAL

Streamline your business and expand your potential. Designed to take the guesswork out of creating a point-of-sale hardware solution, the HP ap5000 All-in-One Point of Sale System combines flexibility and style with robust reliability and performance in one compact integrated POS solution. Able to meet the space and performance requirements of a wide range of retail environments from fashion boutiques, to dining outlets, this single, hassle-free system is all you need to run your business.

Windows.® Life without Walls. HP recommends Windows 7.

ELIMINATES THE GUESSWORK

Taking the guesswork out of creating a POS hardware solution with a combination of products designed and tested to work together. In the modern retail environment where space is a premium, the HP ap5000 offers an all-in-one configuration with all the POS hardware basics you need. With the CPU, 15-inch touchscreen display, Magnetic Stripe reader and a two-line customer-facing display integrated into a single compact system, you'll enjoy reduced cable clutter as well as hassle-free setup and operations so you can focus on your business.

BUILT TO TAKE ON TOUGH RETAIL ENVIRONMENTS

Built with a solid steel chassis, liquid and dust resistant touchscreen, on-board monitoring and alerts, and extensively tested for enhanced durability and reliability, the retail-hardened HP ap5000 All-in-One Point of Sale System is designed to function uninterrupted throughout extended business hours in even the harshest retail environment—minimising downtime, and keeping your store running smoothly.

EVERYTHING YOUR BUSINESS NEEDS

Design a complete POS system that's just right for your business. Choose from a comprehensive suite of HP-branded retail peripherals and software from one of HP's valued technology partners for a customised solution that integrates seamlessly with your system for a hardware and software solution perfectly suited to your retail niche.

LEVERAGE ON A LEADER

Trust your retail business to a global technology leader. With vast experience and a keen insight into the retail needs of businesses of all sizes, HP understands what it takes to sell products on a retail shelf, profit from the sales, and plan inventory smartly. You will also enjoy HP's industry-leading support with a standard three-year limited warranty and a dedicated call centre.
